## WORKSHOP TO RAISE AWARENESS OF PREVENT

*...Working together to challenge extremism!*

**Terrorism is a real and serious threat to us all and we have seen that terrorists can strike at any time and any place without warning. Leicestershire's focus is to work with, for and on behalf of our communities.**

We need the support and confidence of communities to improve our ability to identify those individuals who are most vulnerable and in need of support and interventions.

The priority is to keep the public safe, by working together with key partner agencies and all communities to tackle any extremism regardless of race, culture, religion or politics.

**Everyone can play their part in the identification, referral and support of vulnerable people who may be drawn to extremism and at risk of radicalisation.**

The **WRAP** workshop is an introduction to the safeguarding elements of Prevent and will give people

•  
**An understanding of the Prevent strategy and its links to safeguarding**

•  
**The ability to use existing expertise and professional or personal judgement to recognise those vulnerable individuals who may need support**

•  
**Local safeguarding and referral mechanisms with people to contact for further help and advice**

## WORKSHOP TO RAISE AWARENESS OF PREVENT

*...Working together to challenge extremism!*

### What does the workshop involve?

The workshop takes just 1 hour to deliver via DVD and a facilitator. It can be delivered in a team setting or to groups of up to 30 people, allowing participants to network and share their own personal experiences.

It is an introduction to Prevent and covers issues such as crime, normal social processes that are used to influence and manipulate, extreme right-wing and Al-Qaeda case studies, terrorist ideologies and factors which may contribute to an individual's susceptibility to terrorist ideology.

Feedback strongly illustrates that WRAP provides a practical understanding of Prevent, particularly for safeguarding practitioners. All WRAP facilitators have been accredited by the Home Office to ensure delivery is consistent and high quality. The package has been approved for use locally by the Leicester Prevent Steering Group.

### How do I find out more?

If you would like to receive further information, to book a session for your team or to register your interest as an individual please contact us by phone **0116 222 2222 ext. 6726** or email:

[preventengagement.team@leicestershire.pnn.police.uk](mailto:preventengagement.team@leicestershire.pnn.police.uk) or contact the Prevent Coordinator who is based in the community at the St Philip's Centre in Evington: [prevent@stphilipscentre.co.uk](mailto:prevent@stphilipscentre.co.uk)

Group sessions for individuals or small teams may be offered if there is sufficient interest in any one locality. Leicester City Council and Leicestershire County Council and District Council colleagues will be receiving inputs organised through relevant service leads.

**WRAP** training is provided free of charge
